PROFESSIONAL EXPERIENCE

Lecturer – Poverty & Household Living Conditions + Sociological Survey Methods – Institut Supérieur des Métiers de la Statistique (ISS)  February 2026 – June 2026

 Nouakchott, Mauritania

- Renewed for a second consecutive year with an additional course module.
- Taught Poverty and Household Living Conditions module (improved edition).
- Designed and delivered a new module: Sociological Survey Methods (survey methodology, sampling, questionnaire design, data analysis).
- Supervised tutorials and practical sessions with field survey simulations using KoboToolbox, CSPro, and Stata.
- Directed and evaluated final-year projects (PFE) and supervised worker internships.
- Developed course materials, case studies, and evaluation frameworks for both modules.

End-of-Studies Internship – Macroeconomic Analysis & DSGE Modeling – Banque Centrale de Mauritanie (BCM)  February 2026 – May 2026

 Nouakchott, Mauritania

- Produced a master's thesis in Econometrics and Applied Statistics comparing monetary regimes in Mauritania using a small open-economy DSGE model.
- Contributed to the department's conjunctural analysis, macroeconomic forecasts, and monetary statistics.

Worker Internship – Agence Nationale de la Statistique et de l'Analyse Démographique et Économique (ANSADE)  April – June 2022

 Nouakchott, Mauritania

- Developed a methodology for data mapping to design sectoral accounts and analysis using ERETES.

PROJECTS

Poverty & Inequality Forecasting in Mauritania – Poverty indicator forecasts

- Forecasts four key poverty indicators from 1996 to 2030 using survey data and interpolation techniques. [GitHub](#).

Survey on the Perception of Influencers – Sociological survey design

- Designed and implemented a survey on the perception of influencers in Mauritanian society, with a structured questionnaire on KoboCollect.

Bridging the Future Baseline Data Challenge – Predictive modeling – USDA-funded initiative

- Data analysis and predictive modeling to improve primary school reading proficiency in Mauritania (Tagant, Gorgol, Brakna). [GitHub](#).
